Brian Pearson Memorial Scholarship

In honor of former Iowa State University basketball player Brian Pearson, who died of brain cancer in the fall of 1997, the Iowa Games began awarding the Brian Pearson Memorial Scholarship in 1998.

Pearson knew the meaning of hard work and recognized the rewards of commitment. He valued the relationships he had with his family, friends, neighbors and teammates. People who were fortunate enough to know Brian use words like integrity, honesty and courtesy to describe his life.

Currently, I am serving as the Scholarship Coordinator of Phi Kappa Psi Fraternity. Each year our fraternity administers a scholarship awarding \$15,000 for 1st-year male students who will be attending the University of Iowa in the fall.

If any male students are attending the University of Iowa, I encourage you to forward this information to the student. We encourage any and all eligible students to apply. *Please note, there is no requirement to join to receive the scholarship. Thank you for your time.
