Saint Albert Catholic is college preparatory school system in that it prepares all students to excel, graduate, and succeed in post-secondary education. Our school system is comprehensive in that it serves the local parishes and faith communities of the region. We are a school system that supports learners of varied academic ability, economic status, and ethnicity.

Parents are attracted to the faith-based Catholic education plus the safe, orderly, and purposeful learning environment. Our students come from surrounding communities, faiths, and foreign countries to learn and grow with us. Saint Albert students benefit from the high academic expectations, small class sizes, and dedicated teachers. Saint Albert Catholic Schools students are expected to distinguish themselves through their achievement, appearance, effort, and attitudes. Over time, our students have built rich traditions and earned respect for their many and varied academic, athletic, and activity accomplishments.

All staff members are expected to contribute to the school community as role-models for our students. While there are various school clubs, activities, coaching, and extra-duty positions currently available, no specific club sponsorships, coaching positions, or extra-duty assignments are attached to this or any teaching position in the Saint Albert Catholic Schools.
