Scholarship Handbook

Saint Albert High School

Email: sommervillet@saintalbertschools.org

Your senior year is an exciting and busy one. Previous students have provided these survival tips:

Do not procrastinate. Be organized.

Get a two-sided folder. Place copies of the scholarships you have sent on one side of the folder. Place copies of scholarships you are working on or have not completed on the other side.

1. Type all scholarships unless the rules say differently.
2. Answer all questions completely.
3. Keep it clean – no misspellings or other grammatical errors.
4. Submit your application ahead of time – it shows strong organizational skills.

Remember, groups are not going to give you money if you turn in an imperfect or incomplete application. This is your chance to **make a positive impression**.

LETTERS OF RECOMMENDATION

Ask for letters of recommendation early. Allow at least two weeks to work on a good letter.

Ask politely. Give a copy of your resume and the name of the scholarship. It also helps if you tell the letter writer specifics about the letter i.e. it needs to emphasize your leadership skills.

THANK YOU NOTES

If you are awarded a scholarship, you **MUST** send the organization a thank you note. This begins the communication process between you and the organization.

If you have kept copies of your application, you will want to reread the **rules**. Some scholarships are **renewable** meaning you may receive scholarship monies for more than one year. Some have specific **grade point average** rules to maintain. Most won't be paid until you have successfully completed a full semester of college. Likewise, you may be asked to **submit your transcript** at the end of the first semester in college.

***Some deadlines and essay topics may change as new applications are released throughout this year.**

Many of these scholarship applications are available on the internet. Simply search for the name of the application and the current year to get the newest form.

Use www.educationquest.org to sign up for the Scholarship Search. Other recommended websites include Unigo, College Board, Peterson's, FindTuition.com, Cappex, School Soup, SuperCollege.com, COLLEGEdata, Chegg, and International scholarships (for students looking to study abroad).

Colleges offer scholarships through their common entrance application or through separate applications. Check the college's financial aid website for information.

HOW TO USE THIS BOOK:

1. Highlight scholarships that fit you.
2. Cross out scholarships that don't fit you.
3. Get organized! Create a personal scholarship list. Post it in your locker and at home. Watch deadlines and allow plenty of time to collect letters and information. Proofread carefully.
